Daydreaming is a short-term detachment from one's immediate surroundings, during which a person's contact with reality is blurred and partially substituted by a visionary fantasy, especially one of happy, pleasant thoughts, hopes or ambitions, imagined as coming to pass, and experienced while awake.. There are many types of daydreams, and there is no consistent definition amongst psychologists ...

General semantics is a self improvement and therapy program begun in the 1920s that seeks to regulate human mental habits and behaviors. After partial launches under the names human engineering and humanology, Polish-American originator Alfred Korzybski (1879-1950) fully launched the program as general semantics in 1933 with the publication of Science and Sanity: An Introduction to Non ...

What is a Customer Journey Map? A Customer Journey map is a visual or graphic interpretation of the overall story from an individual's perspective of their relationship with an organization, service, product or brand, over time and across channels. Occasionally, a more narrative, text-based approach is needed to describe nuances and details associated with a customer experience.
