Department of Environmental Protection Promulgation of

The environmental movement (sometimes referred to as the ecology movement), also including conservation and green politics, is a diverse scientific, social, and political movement for addressing environmental issues. Environmentalists advocate the sustainable management of resources and stewardship of the environment through changes in public policy and individual behavior.

Environmental movement - Wikipedia

The Department of Public Works & Environmental Services (DPW) provides engineering, sanitation, environmental, transportation, water and sewer services to the community. The mission of the DPW is to maintain and improve the City's infrastructure and environment and provide high-quality services to the community making East Lansing a great place to live, study and work.

Public Works & Environmental Services | East Lansing, MI

The mission of the OEHS is to protect public health by preventing the transmission of disease through food, milk, shellfish, water and sewage and to work in partnership with other agencies to protect the environment.
