Could you please say where one could find historic minute by minute or even hourly data for NSE (for either free or even at a nominal rate ...

### **Getting Started with Candlesticks – Varsity by Zerodha**

Most candlesticks with heavy breakout day volume outperformed their light-volume siblings. In two out of three tests, candle volume turned out to be a poor predictor of performance. In the first test, I found that performance after volume trended down throughout the candlestick pattern led to better performance just 52% of the time.
