3.1.. The destination perspective on event tourismFrom the tourism industry's perspective, typically through the eyes of a DMO or event development agency, events are highly valued as attractions, catalysts, animators, place marketers, and image-makers.

Event tourism: Definition, evolution, and research

A number of points immediately demand attention. Firstly, the form and nature of relations between local people and tourists evidently varies significantly, from structured, commercial exchange-based encounters to spontaneous, serendipitous meetings or even relations that involve no contact or communication at all (that is, limited to the sharing of space).
