Here in this topic of consumer research they are trying to identify reasons for purchasing a product, usually customers hesitates to reveal their reasons or motivational factor which made them to purchase a product or service at that time the consumer researchers use the two different types of research methodology to study consumer behavior: quantitative research and qualitative research.

Role of Research in understanding consumer behaviour

The studies of violence in mass media analyzes the degree of correlation between themes of violence in media sources (particularly violence in video games, television and films) with real-world aggression and violence over time. Many social scientists support the correlation. However, some scholars argue that media research has methodological problems and that findings are exaggerated. (Ferguson ...

Ethnography (from Greek $\acute{\alpha}\nu\theta\rho\omega\pi\acute{o}\varsigma$, $\acute{\epsilon}\theta\nu\sigma$ "folk, people, nation" and $\gamma\rho\alpha\phi\acute{o}$ "I write") is the systematic study of people and cultures. It is designed to explore cultural phenomena where the researcher observes society from the point of view of the subject of the study. An ethnography is a means to represent graphically and in writing the culture of a group.
