A short story is a piece of prose fiction that typically can be read in one sitting and focuses on a self-contained incident or series of linked incidents, with the intent of evoking a "single effect" or mood, however there are many exceptions to this.. A dictionary definition is "an invented prose narrative shorter than a novel usually dealing with a few characters and aiming at unity of ...

Short story - Wikipedia

The genre of horror has ancient origins with roots in folklore and religious traditions, focusing on death, the afterlife, evil, the demonic and the principle of the thing embodied in the person. These were manifested in stories of beings such as witches, vampires, werewolves and ghosts. European horror fiction became established through works by the Ancient Greeks and Ancient Romans.

Short Stories: Rumpelstiltskin by Brothers Grimm

After spending several generations running around protecting the world's cryptid population from persecution (and protecting the world's human population from being eaten), it's only natural that there would be quite a few stories about the Price family, and their predecessors, the Healys.
