Funding for the journal has been made possible through the generous commitment of the USC Annenberg School for Communication and Journalism.

International Journal of Communication - ijoc.org

Social marketing is the use of marketing theory, skills and practices to achieve social change. It has the primary goal of achieving "social good". Traditional commercial marketing aims are primarily financial, though they can have positive social affects as well. In the context of public health, social marketing would promote general health, raise awareness and induce changes in behaviour.
